Please Note: It is the responsibility of the Exhibitor to fill out outbound Bills of Lading at the close of show and present them to EXPO Decor's service desk personnel prior to the end of dismantle. Freight left without proper paperwork on file will be returned to our warehouse and stored, at Exhibitor's cost, until proper information is received.

Outbound Shipping Procedures

Necessary Outbound Paperwork

An outbound Bill of Lading must be prepared for each outbound shipment you have from the show and must be turned into our service desk prior to your leaving the exhibit area at the close of the show. This is in addition to any Freight Bills provided to you by your shipper.

Exhibitor Selected Carriers

You, the Exhibitor, are responsible to make the necessary arrangements for your carrier to pick-up your materials at the close of the show. In the event your designated carrier fails to make the pick-up at show site during the designated break down time, EXPO Decor reserves the right to force any shipment onto our EXPO Decor trailers in order to be able to clear the facility by the required deadline. As part of the material handling charges, we will gladly load other carriers, but we are not able to make pick-up arrangements on your behalf with other carriers.

Federal Express – *Special Information*

Should you use Federal Express, DHL or any other airfreight forwarder, it will be necessary for you to provide the appropriate shipping documents, with your account number clearly visible, and schedule the pick-up accordingly. If FedEx does not pick-up your materials at the close of the show, we offer a \$20.00 per destination service for delivering your materials to FedEx.

UPS – *Special Information*

Should you wish to use UPS, it is required for you to provide and affix any necessary UPS shipping labels to each item being returned. UPS has very specific requirements for this type of service and it is your responsibility to make sure they are met. We do not provide UPS shipping services from the Show Floor or from our Warehouse. After contacting UPS and confirming the pick-up arrangements, either at the show site or at our warehouse, you must inform EXPO Decor's service desk personnel of the scheduled arrangements along with your confirmation numbers and a complete Bill of Lading. There are additional charges for having us return your materials to our Warehouse for UPS pick-up.

Materials Left on Exhibit Floor at Close of Show

Any materials abandoned without proper paperwork on file or for shipments not picked up at the show site by your designated carrier, will be forced on EXPO Decor trailers. Materials returned to our warehouse will incur a return to warehouse fee along with storage charges when applicable.

All Carriers should arrive prepared with the company name, number of pieces, and destination for any shipment they have been designated to pick-up. All material handling, return to warehouse, and/or storage charges must be settled before a shipment will be released to any carrier.
